

# **Annual Quality Assurance Report (AQAR) 2011-12**

## **Part A :**

The IQAC has planned certain strategies for quality enhancement in academics, co-curricular activities as well as in infrastructure.

- The credit-based grading system was successfully implemented as per University guidelines which comprised of internal examination (40 marks) and semester end examination (60 marks). The Assignments and projects given to the students has helped to build research culture among students and explore field work survey for data collection.
- New lift has been installed which is high speed lift with capacity of 16 people. Complete renovation of class rooms was done and entire college premises was freshly painted.
- An apple I-pad with 3G facility, sound system with cordless mike, two laptops, two white screens, one Take-Note, one Interactive Smart-Board, two LCD Projectors, two Webcams, two Pen Tablets and Scanner with camera were purchased. All the above gadgets can be used in different teaching methods, seminars and workshops.
- Nineteen economically weaker and deserving students were offered freeships to continue their education in the college.
- A seminar on “Research Methodology” was conducted to promote research among staff members.
- A National Seminar on ‘Human Rights Education’ sponsored by UGC was organized where various participants (faculties and students) had presented research papers on various topics related to Human Rights.
- College has utilized the grant received under the UGC XI-Plan to carry out various schemes for educational enhancement. These schemes include :
  - i. Remedial Coaching.
  - ii. Coaching Classes for Entry level Examinations.
  - iii. Equal opportunity Centre.
  - iv. Career Counselling Cell.
- Workshops on ‘Event management’, ‘Government Aid’ and ‘Human Rights’ were organized under UGC-XI Plan.
- Career exhibition, Personality test and IQ test was organized for students under UGC-XI Plan.
- Career Counselling cell was also formed under UGC-XI Plan.

## **Part B :**

1. The paramount interest of the college is to bridge the gap between the industry and academics. The college organises seminars, workshops, guest lectures for the students and faculty to meet the desired objectives. To make the theoretical lectures more interesting, teachers and students are more involved in assignments, tutorials, projects, industrial visits, etc. Industrial visits give the students practical knowledge about the corporate world. Achievements of the placement and alumni meet are witness of the successful performance of our students.
2. We have successfully implemented credit based grading system for F.Y.B.COM. and T.Y.B.COM. as per University guidelines.

### New Academic programme initiated

- The college has signed MOU with ION Education who conducts certificate courses on Financial Markets, Entrepreneurship and Real Estate.
  - The college has signed MOU with Ambition Learning who conducts certificate course on CFP (Certified Financial Planner)
3. For an affiliated college, there is limited scope for different design and innovation/ revision of curriculum by virtue of being member of Board of Studies. But there is always a scope to touch the topics in brief from the practical point of view which may not be in the curriculum. This is done by organising workshops, seminars, guest lectures, etc.
  4. Courses offered in the previous year are being continued successfully. This year also we have started three certified courses under UGC XI Plan namely-
    - a) Certificate course in Event Management.
    - b) Certificate course in Human Rights.
    - c) Certificate course in Government Aid for evaluation and business.

Apart from these courses college has also started a one month Certificate Course on Entrepreneurship and Financial Markets conducted by ION education. Also college has eight months Certificate Course on Certified Financial Planner conducted by Ambition Learning.

5. **Examination Reforms Implemented:**

- From the academic year 2011-12 onwards University of Mumbai introduced “Credit Based Grading System” at First Year B.Com level which will be carried forward to Second Year B.Com and Third Year B.Com level in subsequent years.
- As per the new system, the academic year for F.Y.B.Com was divided into two semesters. For each semester and for each subject, aggregate of 100 marks are divided as 60 marks for semester-end exam and 40 marks for internal assessment. Internal 40 marks are further sub-divided as Test I -10 marks, Test II-10marks, Assignment-10marks and student’s class participation-10marks.
- According to this pattern, the internal assessment for 40 marks was conducted by the respective departments in co-ordination with the Examination Committee. The Semester-end examinations were conducted at the end of each semester.
- Three question paper sets per subject were prepared, answer papers were masked, these were centrally assessed and then were moderated as per University Rules.
- Computerized results and mark sheets were prepared. Additional Examination of 60 marks per subject was held for medical and failure cases.
- In case of S.Y.B.Com. the old pattern was followed. Term End examination of 50 marks was conducted at the end of each term. Three sets of question papers were prepared, answer papers were masked, centralized assessment was done, computerized results and mark sheets were prepared. Supplementary Examinations for medical cases were held.
- ATKT Examinations for F.Y.B.Com (Old Pattern) and S.Y.B.Com were conducted as per the University Rules.
- For T.Y.B.Com. 60-40 marks pattern was introduced by University of Mumbai, which was successfully implemented in the college.
- The internal assessment of 40 marks further subdivided into Test (20 marks) – Best 2 out of 3 each of 10 marks, Assignment (10 marks) (Best 1 out of 2, each of 10 marks). In case of Computer Systems & Application (Applied Component Group) – Practical Examination (20 marks), Assignments (10 marks) – Best 1 out of 2, each of 10 marks & class participation – 10 marks.
- Preliminary Examinations were conducted for T.Y.B.Com.
- Cases of students using unfair means during exams were reported by concerned invigilators & were dealt by Unfair Means Committee in accordance with the norms of University of Mumbai.
