BRIEF REPORT OF THE ACTIVITY

The students of BSc.IT organized Tehnotronix fest from 19th December 2017 to 21st December 2017. The theme of the fest was "Revisit the Past" Museum which was inaugurated by our Principal Dr. Neelam Arora. On the first day of the fest the students from various colleges participated in large numbers in the Gaming event. A seminar was organised on Artificial Intelligence on the following day which was delivered by Dr. Siby Abraham who is a Research guide. Research Paper Presentation competition was conducted in which students participated with great enthusiasm. A Quiz Competition for the teachers was organised wherein the quiz was developed by two students in Java programming. The fest concluded with a visit to NAB INDIA (National Association of Blind) (Rakhangichowk, Worli) where grains, fruits and other essential items were distributed and various singing and dance competitions were organised for which prizes were also given.

OUTCOME OF THE PROGRAM

1. The student participants came back with great learning as to their abilities and skill sets
2. The students got exposure to a bigger arena vis-à-vis the participation of multiple colleges at the event
3. The motivation levels of the students was visibly enhanced as they were charged up to win the trophy in the coming events
