Change is a constant and necessary element towards progress in any domain. Considering the recent, rather forced changes in the educational system and society at large, Lala Lajpatrai College of Commerce and Economics, Mumbai organized a Panel Discussion on 'Psychological Appraisal of Stakeholders - Let's Hear From Them', on 27th June, 2020, by means of a virtual connect. The objectives were to understand the level of psychological well-being of every stakeholder of an educational system through contemplation, appraisal by panelists coming from diverse areas of expertise and thus to come out with productive and practical remedies for betterment.

OBJECTIVES OF THE EVENT:

- 1) To hold a healthy dialogue on the responsibilities, challenges and remedies to cope up for each stakeholder of the educational System by experts from diverse and crucial domains of life.
- 2) To address to personal problems faced by the stakeholders and come out with practical solutions.
- 3) A step towards betterment of the existing Educational System.

OUTCOMES OF LEARNING:

- 1) Attendees were made aware of the crucial role each one plays, and how it can be done even better.
- 2) Mantras/tips for better and stronger student-teacher relationship were highlighted (developing empathy, give respect to get respect, to develop a secular outlook, to be passionate towards one's job and many more, to mention a few)

AN INTRODUCTION TO ACTUARIES AND ITS APPLICATIONS IN COMMERCE

Objectives:-

1. To make students aware of the Discipline of Actuaries as a Career.
2. To expose them to applications & scope of Actuarial Science in Commerce.
3. To motivate the students to pursue research and actuarial studies course.

Department of Mathematics & Statistics organized a workshop on “An Introduction to Actuaries and its Applications in Commerce”, on 7th December 2019. by Mrs. Raunak Jha, Appointed Actuary & Risk Officer, Reliance Health Insurance.

The seminar was conducted to make students aware of Actuaries as an emerging and pursuing career option and to motivate them to pursue it along with their studies as the earlier they begin the career it is to devote time considering the hardwork one needs to put in to clear all the papers. Students were told in detail about how one can become an actuary, nature of work an actuary its demand in the market, how it is more promising as compared to other existing options, and given contacts where they can further do enquiry about it. Overall it was a very informative session, liked by the students and they even asked many questions at the end which shaved their interest.

Total no. of 46 students attended this workshop.

Outcome:-

- The students will be able to appreciate the utility & need of actuaries in Commerce.
- The students will know how they too can enter the field of research in Commerce & the procedure for pursuing actuarial science.

QUICK CALCULATIONS USING VEDIC MATHEMATICS

Objectives:-

- To introduce audience with the Ancient Indian Mathematics System.
- To teach them few of the sutras and tricks in the given time.

The webinar was organized by Department of Accountancy, Department of Mathematics and Statistics and IQAC jointly with Lala Lajpatrai College of Law on 21st July, 2020 on zoom platform from 5:00 pm – 6:30 pm. Mr. Deep Kapadia, renowned Vedic Mathematics Teacher was the resource person. The session began with welcome address by Dr. Smitha Karve, Principal, Lala Lajpatrai College of Law, which followed by Mr. Deep Kapadia's session. It is also helpful considering the fact that most of the competitive examinations do not allow use of calculators, so one can save time with the help of these tricks. After his session Dr. Neelam Arora, Principal, Lala Lajpatrai College of Commerce & Economics gave her concluding remarks. The session was enjoyed and appreciated by one and all. It was done on a National Level, wherein around 542 students and faculties from all over India attended the webinar. The webinar was held on zoom and also uploaded on YouTube channel of the resource person.

Outcome:-

- Participants were made aware of the basics of Vedic Mathematics.
- Participants could apply the sutras and tricks to solve mathematical calculations.
- Individual queries of participants were also answered.

Guidance Lecture for Business Economics for Third Year B.Com

Date: 27th September 2019

Venue: Room No 401

Resource Person: Mr. Durgesh Kumar Dubey (Assistant Professor K.P.B. Hinduja College)

Objectives: the purpose of the session was to orient the students to prepare for university exams in subject of Business Economics and score well.

Report: The lecture was organized on 27th September 2019 to help the students in planning well for the exam and writing the paper with confidence and least stress. The session started with welcome address and introduction of the speaker by HOD, Dr. Mohana Bandkar. The resource person, Mr. Durgesh Kumar Dubey gave the detailed strategy which students should adopt so that they could cover most important topics for the exam in minimum time. He emphasized on importance of time and stress management, which are key factor in examination. Towards end, Dr. Divya Nigam proposed formal vote of thanks.

Outcome: The session was highly interactive with students. Putting many queries which were addressed by the speaker. Students were happy with the valuable inputs provided to them for examination. They were confident of writing the paper with full confidence.
