POLICY OCUMENT

IQAC POLICY at Lala Lajpatrai College of Commerce & Economics

The college through its Internal Quality Assurance Cell (IQAC) intends to create a permanent & effective culture of quality consciousness in all aspects of its operations. The IQAC will function as a guide and catalyst in ensuring that the quality standards of the institute are improved on a continuous basis and that implementation of quality initiatives are always at the forefront of the institutional achievements. For this purpose, the IQAC proposes to follow a pattern of self and external evaluation for institutionalizing the quality culture.

The main purpose of IQAC is to strive to achieve all-round excellence in the teaching-learning environment at the college level by encouraging innovative teaching methodology and student-centric approach at the faculty level, and also encourage independent thinking and 360 degree development of the student's personality by providing them academic, curricular and co-curricular development opportunities at all levels.

The IQAC will strive to create mechanisms at all levels and involve all stakeholders to be a part of the quality assurance process as total involvement at all levels will help deliver the targeted quality systems output.

IQAC will establish suitable benchmarks keeping in mind the standards of excellence established by peers and based on these, internal goals and targets would be set. IQAC would provide guidance and direction to the stakeholders to propel the movement towards the set benchmarks and continuously review and offer feedback at all levels to identify the deviations and set the correct path.

IQAC would ensure adequate documentation, proper formats for data capture and information dissemination among stakeholders, scheduling of goals and their targeted deadlines for achievement and continuously monitor and submit quality status reports.
