The Main thing at first was just gaining trust – that trust that he would confide to me. That was important first. I had to let her know that no matter what, she could tell me anything and I'd believe her and trust her and I'd support her. I think that's what these kids need I think it just takes a long time to build up a trust. "

The Main thing at first was just gaining trust – that trust that he would confide to me. That was important first. I had to let her know that no matter what, she could tell me anything and I'd believe her and trust her and I'd support her. I think that's what these kids need. . . . I think it just takes a long time to build up a trust. "
