**Name of the Event :** Induction Program

**Name of the Topic :** Exploring Careers in Finance: Pathways and Opportunities

**Name of the Resource Person:** Mr. Ronak Gala

**Designation :** Founder and Director of LEAPUP

**Date of the Event:** 6th February ,2025

**Number of Participants:**

**Venue :** Lala Lajpat Rai College of Commerce and Economic, Room No.207

**Objective:** The session was conducted to provide students with a comprehensive understanding of the diverse career options available within the finance sector. The speaker aimed to highlight various pathways in finance, including roles in investment banking, financial analysis, and corporate finance. By sharing insights into industry trends, required skills, and potential growth opportunities, the session sought to equip students with the knowledge needed to make informed decisions about their future careers in finance.

**Brief Report of the Program:** The session for FYBMS AICTE students was conducted as part of the induction program, commencing at 12 PM in Room 207 of the college. The speaker provided a thorough overview of the finance industry, explaining complex concepts with great clarity. He explored various facets of the finance sector, shedding light on available career opportunities and the qualifications necessary for success. The speaker took the time to discuss key terms and concepts, helping students develop a foundational understanding of the industry. His deep dive into the topic inspired students and encouraged them to think critically about their career paths. The session fostered an engaging environment, allowing for questions and discussions that enriched the learning experience.

**Outcome:** Overall, the Day 2 session was a valuable experience that ignited students' interest in exploring their potential within the finance field. Many students left feeling inspired and eager to pursue finance careers, equipped with a clearer understanding of the various opportunities available to them. The speaker's insights into key concepts and industry terminology laid a strong foundation for their knowledge.
