REPORT ON CERTIFICATE COURSE WITH TEACH US - THE COLLEGE INTELLIGENCE APP

Year of the Event: 2024-25

Name of event: Mobile Attendance App for Teachers and Students

Objectives of the Program:

1. To replacing manual attendance methods with digital solutions to increase efficiency.
2. To provide instant access to attendance data, to identify trends and intervene when necessary.
3. To minimize errors associated with manual attendance methods, ensuring reliable data.

Brief Report:

Facility of Mobile Attendance App for Teachers and Students was undertaken under the Memorandum of Understanding between Lala Lajpatrai Memorial Trust and Teach Us - The College Intelligence App, Director - Jaimin C. Shah (9892223453) as on 18th Jun, 2024 for 60 Days for the entire Degree College section of Lala Lajpatrai College. Teach Us managed attendance of students along with Profile creation, Data entry, Training sessions and Technical Assistance.

Programme Outcome:

1. Aided in identifying at-risk students and enabling early intervention strategies to support students struggling with attendance.
2. Aided in reducing administrative burdens associated with attendance tracking and reporting.
