Date of Event – 14th August 2025

Name of Event – Guest Lecture on Business

Analytics and Banking & Finance

No of Students / Beneficiaries – 82 Students

Objectives of Guest Lecture

- To provide students with insights into Business Analytics and Banking & Finance, focusing on industry-relevant skills such as Advanced Excel and data interpretation.
- To create awareness about the importance of skill development and career planning, including the need for backup options in dynamic financial sectors.
- To familiarize students with the courses and training opportunities offered by DVOC Institute for enhancing employability in finance-related fields.

The seminar on “Business Analytics and Banking & Finance,” conducted in collaboration with DVOC Institute, featured industry experts including Mr. Himanshu Thakur and Ms. Lajwanti Sharma, along with insights inspired by global corporate training practices. The session provided students with exposure to industry-relevant skills such as Advanced Excel and financial analysis, while also emphasizing the importance of career planning and backup options. Additionally, students gained clarity about professional courses offered by the institute, helping them align their skills with opportunities in the banking and finance sector.

Outcomes of Guest Lecture

- Students gained a practical understanding of key analytical tools and financial concepts, improving their readiness for industry roles.
- Students developed awareness about career pathways in banking and finance, including the importance of continuous skill upgradation and contingency planning.
- Students understood the value and structure of DVOC Institute’s programs, enabling them to make informed decisions regarding additional certifications and professional training.

Date of Event: 10th September 2025

Name of Event: Guest Lecture on Finance and its Real-World Implications

No of Student/ Beneficiaries:

Objectives of Guest Lecture:

- To provide students with practical knowledge of finance and its real-world applications in various industries.
- To bridge the gap between theoretical learning and industry practices through expert insights.
- To enhance students' understanding of career opportunities and skill requirements in the finance domain.

The Placement Cell of Lala Lajpatrai College organized a seminar on "Finance and its Applications" on 10th September 2025. The session was conducted by Venkat Krishnamoorthy Seetha, a Chartered Accountant with extensive industry experience. He shared valuable insights on financial practices, audits, and real-world problem-solving in the banking and MNC sectors. The seminar provided students with practical exposure and a deeper understanding of finance beyond textbooks.

Outcomes of Guest Lecture:

- Students gained practical insights into financial concepts and their application in real business scenarios.
- Students developed awareness about industry expectations and professional skills required in finance careers.
- The session enhanced students' analytical thinking and interest in pursuing finance-related roles and certifications.

Date of event: 8th June, 2025.

Name of event: Beach Cleaning.

Number of participants/beneficiaries: 17 Students.

Objectives of the Programme:

- To celebrate World Ocean Day by encouraging meaningful interaction with the beach environment, while promoting awareness about ocean conservation.
- To foster a sense of community engagement among the students.
- To spread awareness about the importance of beach cleaning and to understand the root causes of ocean pollution.
- To bring BBI students together for a cause.

The BBI Department of Lala Lajpatrai College of Commerce and Economics (Autonomous) commenced its Term I activities with a Beach Cleaning Drive on 8th June 2025, reflecting the department's commitment towards social responsibility and environmental awareness. Students actively participated in the initiative, contributing to cleanliness and promoting sustainability. The activity helped instil a sense of civic duty, teamwork, and environmental consciousness among students, marking a meaningful beginning to the academic term.

Programme Outcome:

- Students developed a deeper understanding of the importance of ocean and beach conservation.
- Through expert guidance, students learned about the causes of marine pollution, especially how rivers carry waste materials to the ocean.
- Working together in groups helped foster teamwork, coordination, and a spirit of unity among the students.
- Students expressed a sense of full fulfillment and enjoyment in contributing to a meaningful cause.

Date of event: 10th July, 2025.

Name of event: Guru Purnima.

No of Students/ Participants - 27

Objectives of the Programme:

- To express gratitude and appreciation towards teachers for their dedication, guidance, and continuous support in shaping students' lives.
- To strengthen the student and teacher bond through meaningful interactions, creative events and expressions of respect and love.

To honour the invaluable contribution of teachers, the department organized a Guru Purnima Celebration on 10th July 2025. The event began with a traditional Indian welcome of faculty members, followed by speeches expressing gratitude and appreciation. A felicitation ceremony was conducted where students presented tokens of appreciation to their teachers. The program also included a heartfelt poem recitation and fun activities for teachers, creating a warm and memorable atmosphere. The event concluded with an inspiring address and a vote of thanks, reinforcing the timeless importance of Gurus in students' lives.

Programme Outcome:

- The event brought joy and happiness to both students and teachers, where everyone participated and celebrated together in a lively and engaging atmosphere.
- It served as a meaningful way for students to express gratitude and say thank you to their beloved teachers for their constant guidance and support.

Date of event: 17th December, 2025.

Name of event: Literature Event

No of Participants: 20

Objectives of the Programme:

- To create awareness about student safety, particularly focusing on issues such as harassment in colleges and bullying in hostels.
- To promote the importance of gender sensitivity and mutual respect among students within the campus environment.
- To encourage students to express social issues through creative mediums like drama and role play.
- To build confidence and communication skills among participants through stage performance.
- To instil a sense of responsibility among students to contribute towards creating a safe and supportive environment.

The BBI Department of Lala Lajpat Rai College of Commerce and Economics organized a Literature Event in the form of a drama titled "Together We Protect – A Story of Safe College & Safe Hostel" on 17th December 2025. The event was conducted under the guidance of Prof. Sanmeet Kaur Chandhok and was performed by first-year BBI students including Sae, Anusha, Saloni, Varsha, Manisha, Drishti, Khushi Bhumi, Neha, Raj, Yash, and Deepanshu. The drama focused on the important theme of girls' protection along with overall student safety, highlighting issues like harassment in college and bullying in hostels through a well-structured role play.

The performance portrayed various real-life situations where students stood up against harassment and bullying, emphasizing that safety is not limited to one gender but is a responsibility shared by all. Through impactful scenes, dialogues, and a strong concluding message "We all must protect each other" the drama successfully spread awareness about respect, unity, and courage to speak up. The event was informative, engaging, and meaningful, leaving a strong impression on the audience and promoting the idea of a safe and supportive college environment.

Outcome of Programme:

- The event successfully raised awareness about safety concerns and preventive measures among students.
- Students developed a better understanding of respect, unity, and the importance of standing against harassment and bullying.
- Participants enhanced their public speaking, acting, and teamwork skills through the drama performance.
- The audience was encouraged to speak up and support one another, fostering a culture of safety and inclusiveness.
- The event created a lasting impact by promoting a positive, secure, and responsible college environment.

Date of event: 8th January, 2025.

Name of event: Makar Sankranti – Cultural Festival

Objectives of the Programme:

- To create awareness among students about the cultural and traditional importance of the festival Makar Sankranti.
- To help students understand Indian values such as sharing, unity, and togetherness.
- To encourage active participation of students through cultural, artistic, and fun activities.
- To promote creativity and self-expression through art, craft, dance, and music.
- To develop social skills, teamwork, and sportsmanship through traditional games.
- To provide a joyful learning experience beyond classroom teaching.

The First Year Students of BBI Department celebrated Makar Sankranti Festival on 7th January 2026, through an event which was organized to celebrate the traditional Indian festival of Makar Sankranti and to help students understand the cultural importance of this auspicious day. The Makar Sankranti Cultural Event was conducted to celebrate the festival and promote awareness of Indian traditions and values. The program began with an introduction explaining the significance of the festival as a symbol of positivity, prosperity, and new beginnings. Students participated in various activities, including a traditional food display featuring homemade delicacies, fun games, cultural performances like dance and singing, and an art and craft session. These activities encouraged teamwork, creativity, and cultural appreciation. Overall, the event was successfully completed with great enthusiasm, making it a joyful and memorable experience for all students.

Programme Outcome:

- Students gained better knowledge about the significance and traditions of Makar Sankranti.
- Students actively participated and showed enthusiasm in cultural performances, games, and activities.
- The event helped improve students' creativity, confidence, and communication skills.
- Students learned the importance of sharing food and celebrating festivals together.
- Traditional games helped students improve coordination, teamwork, and cooperation.
- The event created a positive, joyful, and culturally rich learning environment.
- Overall, the event was successful in combining cultural learning with fun and enjoyment.

Date of event: 28th January 2026.

Name of event: Folk Show

No of Participants: 15 Students

Objectives of Programme:

- To promote awareness and appreciation of India's diverse cultures and traditions.
- To provide students with a platform to showcase creativity through cultural representation.
- To enhance students' knowledge about different states, languages, and festivals of India.
- To encourage teamwork and coordination through group participation.
- To develop presentation and communication skills among students.
- To make learning interactive and engaging through activities like cultural display and quiz competition

On 28th January 2026 FY students of BBI Department organised an event Folk Show under CC Curriculum which was conducted at 3:00 p.m., where students selected a unique Indian state and presented its traditional view. Along with the food, they explained various aspects of the state, such as the language spoken, major festivals celebrated, and important cultural facts. As part of the event, a quiz competition was also organized, which was conducted in two rounds. The competition added an interactive and engaging element to the program. All participants were awarded participation certificates, and the winners received merit certificates for their performance.

Programme Outcome:

- Students gained deeper knowledge about various Indian states and their cultural diversity.
- Participants improved their confidence, communication, and presentation skills.
- Teamwork and collaboration skills were strengthened among students.
- The quiz competition enhanced students' general knowledge in an interactive way.
- The event created an engaging and enjoyable learning environment beyond classrooms.
- Students developed a sense of respect and appreciation for different cultures and traditions.

Date of event: 11th August, 2025.

Name of event: Aaghaaz

No of Students: 34 FY BBI Students

Objectives of the Programme:

- To welcome and integrate new students into the BBI Department and help them feel comfortable in the college environment.
- To promote interaction between juniors and seniors, thereby strengthening student bonding and teamwork.
- To encourage participation and confidence building through games, performances, and group activities.
- To create a positive and memorable first experience for freshers within the department.

The department also organized the Freshers Event “Aaghaaz 2025” on 11th August 2025 to welcome newly admitted students and encourage interaction among juniors and seniors. Planned by senior TY BBI students, the event featured a colour-themed celebration, interactive games, dance performances, and food sharing. The program fostered a sense of belonging, teamwork, and enjoyment, concluding with group dancing and photo sessions. The Freshers’ event successfully created a friendly and inclusive environment for the new batch.

Programme Outcome:

- Students developed a deeper understanding of the importance of ocean and beach conservation.
- Through expert guidance, students learned about the causes of marine pollution, especially how rivers carry waste materials to the ocean.
- Working together in groups helped foster teamwork, coordination, and a spirit of unity among the students.
- Students expressed a sense of enjoyment in contributing to a meaningful cause.

Date of event: 22nd August, 2025.

Name of event: EPITOME

No of Students/ Participants: 40+

Objectives of the Programme:

- To provide a platform for students from different departments to showcase their talents and creativity.
- To inspire and encourage learning through participation, interaction, and guidance from esteemed guests and judges.

Further strengthening academic engagement, the department successfully organized the Epite Research Presentation Competition on 22nd August 2025 in Room No. 504. The event witnessed participation from approximately 35 to 40 students representing 7 to 8 departments, including Thakur College. Distinguished guests, Mr. Boman Irani as the Special Guest and Prof. Lata Poojari as the Chief Guest, graced the occasion. The research presentations showcased students' analytical skills, creativity, and subject knowledge, making the event an enriching academic experience evaluated by an experienced judging panel.

Programme Outcome:

- The event successfully provided students with a platform to showcase their talents and skills, fostering confidence and creativity.
- Participants gained valuable learning experiences and exposure through presentations and interaction with esteemed guests and judges.
- The event promoted collaboration and enthusiasm among students from multiple departments, making it a memorable and enriching occasion.

Date of I.V: 5th January, 2026.

Name of event: Industrial Visit

Number of participants/beneficiaries: 55 Students.

Objectives of the Programme:

- To provide students with practical exposure to real world industrial operations beyond classroom learning.
- To help students understand the manufacturing process of footwear, including raw material usage and machinery operations.
- To help students understand quality control and production management practices followed in the industry.
- To create awareness about the importance of Corporate Social Responsibility (CSR) and sustainable business practices.
- To understand the process of recycling old and donated footwear, including the segregation, reuse, and transformation of shoe components into finished and usable recycled footwear.

The visit was organized with the objective of providing students with practical exposure manufacturing processes in the footwear industry. During the visit, students were given a tour of the manufacturing unit, where they observed the production of shoes and footwear for various brands. Also, the students were introduced to the company's Corporate Social Responsibility (CSR) initiative, known as "Green Sole Social Venture". This initiative focuses on converting old, used, and donated footwear which is collected from various corporate companies, colleges into reusable footwear (slippers). The recycled footwear (slippers) is then been donated to underprivileged children, students from various schools, and economically weaker sections across the country. This initiative reflects the company's commitment to social welfare, sustainability, and responsible manufacturing practice.

Programme Outcome:

- Students gained practical knowledge of footwear manufacturing processes, including raw material selection, production stages, and finishing.
- Students developed an understanding of how multiple footwear brands are manufactured within a single factory setup while maintaining brand standards.
- Students understood the collection process of used and donated footwear and learned about the various sources such as corporate organizations, schools, colleges, and communities from which old shoes are collected for recycling

Date of event: 4th April 2026.

Name of event: FAREWELL

No of Students – 15 TYBBI Students

Objectives of the Programme:

- To provide a warm and memorable send-off to the outgoing TY BBI students.
- To celebrate the journey, achievements, and contributions of the graduating batch.
- To strengthen the bond between juniors and seniors within the department.
- To create a platform for students to express gratitude and appreciation.
- To encourage interaction and build lasting connections among all batches.

As on 4th April 2025, the students of the First Year and Second Year BBI Department of organized a farewell for the outgoing TYBBI students. The event commenced with a heartfelt speech dedicated to the graduating batch, appreciating their journey and contributions. This was followed by a cheerful and nostalgic video showcasing cherished memories and activities, involving all three years. The celebration continued with entertaining games organized by the First- and Second-Year students, creating a lively and joyful atmosphere. The hosts, along with the Second-Year students, expressed their gratitude through a thoughtful message and presented tokens of appreciation to the outgoing students. The event concluded on an emotional yet celebratory note, leaving behind lasting memories for everyone present.

Programme Outcome:

- The outgoing students felt appreciated, valued, and emotionally connected to the department.
- Stronger relationships were built between junior and senior students.
- Students gained confidence and experience through event participation and performances.
- The event created lasting memories for all attendees.
- A sense of unity and belonging was reinforced within the department.
- The successful execution reflected teamwork, coordination, and organizational skills of the students.

Name of event: Spontania Inter College Fest

No of Participants: 40+ Students

Objectives of the Programme:

- To create awareness about student safety, particularly focusing on issues such as harassment in colleges and bullying in hostels.
- To promote the importance of gender sensitivity and mutual respect among students within the campus environment.
- To encourage students to express social issues through creative mediums like drama and role play.
- To build confidence and communication skills among participants through stage performance.

The students of the BBA Department participated in Spontania, a three-day Inter-College Fest organized by Sasmira Institute of Science and Commerce, featuring academic, sports, and cultural events. The contingent was led by Sarthak and Monil, who ensured smooth coordination and active participation throughout the fest. The students showcased excellent teamwork, creativity, and competitive spirit across all events. Their consistent performance and dedication stood out among participating colleges. The department achieved remarkable success by winning the titles of Best College and Best Contingent Leader (CL). This accomplishment reflects the collective effort, leadership, and enthusiasm of the entire team.

Programme Outcome:

- The event successfully raised awareness about safety concerns and preventive measures among students.
- Students developed a better understanding of respect, unity, and the importance of standing against harassment and bullying.
- Participants enhanced their public speaking, acting, and teamwork skills through the drama performance.
- The audience was encouraged to speak up and support one another, fostering a culture of safety and inclusiveness.

Date of event: 25th, January 2026.

Name of event: Aavinya

No of Participants: 30

Objectives of the Programme:

- To provide students with exposure to inter-college competition and participation.
- To encourage students to showcase their talents in academic, cultural, and sports domains.
- To enhance teamwork, coordination, and leadership skills among participants.
- To promote creativity, innovation, and competitive spirit.
- To build confidence and interpersonal skills through active participation.

The students of the BBI Department participated in Aavinya, an Inter College Fest organized by MVM Department of Samira Institute of Science and Commerce on 25th January 2025, featuring a blend of academic, cultural, and sports events. The contingent represented the department with great coordination, and team spirit throughout the fest. Under effective leadership, the students actively engaged in multiple competitions, showcasing their creativity and competitive edge. Their consistent efforts and strong performance stood out among various participating colleges. The department secured the position of First Runner-Up along with the title of Best PR, highlighting their excellence in both performance and promotion. This achievement reflects the dedication, teamwork, and strategic efforts of the entire contingent.

Programme Outcome:

- Students gained valuable experience in inter-college level competitions.
- The contingent demonstrated strong teamwork and coordination throughout the fest.
- Participants enhanced their confidence, creativity, and communication skills.
- The department achieved recognition by securing First Runner-Up and Best PR titles.
- Students developed a competitive mindset and learned to perform under pressure.

Name of Event: DLLE Hunar

No of Students/Participants: 6 Students of TYBBI

Objectives of Event:

- To provide a platform for NGOs and their members to showcase their talents and abilities.
- To encourage students to engage in social responsibility through volunteering and community service.
- To promote inclusivity and collaboration between students and various NGOs.

On 16th and 17th January 2026, the DLLE Department organized a two-day cultural and academic festival in collaboration with various NGOs. The event aimed to provide a platform for NGO participants, especially children, to showcase their talents and express themselves. Six students from T.Y. B.B.I. - Raksha, Yash, Vandana, Khushi, and Khushboo actively volunteered and contributed to the smooth conduct of the event in the college auditorium. The festival successfully promoted inclusivity, creativity, and community engagement.

Outcomes of Event:

- Students developed a strong sense of social responsibility and teamwork through volunteering.
- NGO participants received confidence and exposure by performing on a formal platform.
- The event strengthened community bonding.

**Name of Event: FY Orientation Programme No
of Students/Participants:**

Objectives of Programme:

- To familiarize FYBBA students with the college structure, departments, and courses offered.
- To introduce students to co-curricular and extracurricular platforms such as DLLE, Rotaract Club, NSS, cultural associations, and the Placement Cell.
- To create awareness about college fests, events, and overall campus engagement opportunities.

The Orientation Program for FYBBI students was conducted on 7th March 2025 in the college auditorium. The session warmly welcomed first-year students and introduced them to the college's structure, departments, and academic offerings. Students were also made aware of various clubs, committees, and cultural activities, including DLLE, Rotaract Club, NSS, and other associations. The program aimed to help students smoothly transition into college life and actively participate in academic and extracurricular activities.

Outcomes of Programme:

- Students gained a clear understanding of the college environment, courses, and departmental structure.
- Students became aware of various clubs, committees, and participation opportunities, encouraging holistic development.
- The orientation helped students feel more confident, comfortable, and engaged in their new academic journey.
